Superintendent's Message

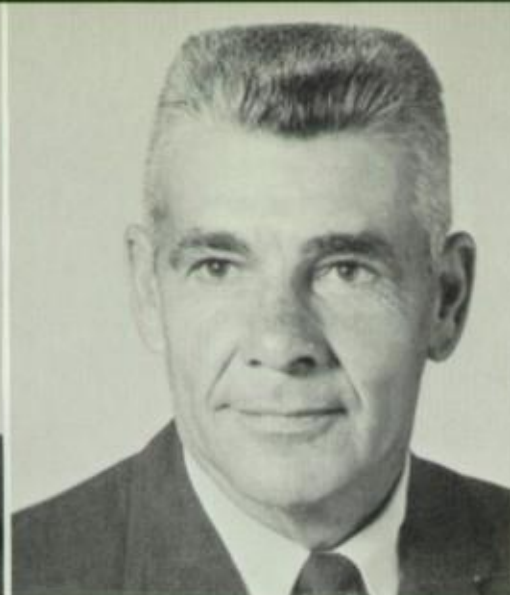

As I review the school year 1968-69, I find that the success of the school has been made possible not just by a few people but by many: namely, the BOARD OF TRUSTEES who have given untiringly and unselfishly of your time without pay; the FACULTY for a job well done; the STUDENT BODY (one that surpasses the average) for your fine conduct and attitude, and the splendid work you have done in school this year; and the SCHOOL PATRONS for your wholehearted cooperation during the past school year. The school belongs to you and the community, and without your support it would be impossible for the school to exist. My thanks to you all for a pleasant and enjoyable year here in Hermleigh.

Hermleigh Holts Off Roby, 16-0

ROBY (RNS) — Hermleigh's Cardinals outfought the Roby Mustangs for a 16-0 triumph in the final game of the season Friday night. The victory boosted Hermleigh's district record to 2-0.

After the second TD, Ronnie Helms ran for two extra points. In the same period, Hermleigh scored a safety when a bad snap from center by Roby rolled out.

POWER LINE TO PROSPERITY

For every one dollar spent on cooperative lines an estimated \$6 is spent to use the electricity. This means the electric cooperatives have created a billion dollar market for local businessmen.

The cooperative is locally owned — business managed — tax paying . . . owned and operated by the people it serves.
